# **EDUCATION**

Shree L.R Tiwari College of Engineering – Mumbai, Maharashtra

Bachelor of Engineering – Electronics and Telecommunication | 2021-2025

Utkarsh Vidyalaya - Virar, Maharashtra

Higher Secondary Certificate (HSC) – Science | 2021 | Percentage: 79.50%

# **WORK EXPERIENCE**

CodeTown Edtech Pvt. Ltd. - Bengaluru, Karnataka

Full Stack Developer Intern | December 2022 – March 2023

- Designed and implemented front-end features for web applications using React.js, ensuring responsiveness and an intuitive user experience.
- Optimized application performance, resulting in faster loading times and an enhanced user experience.
- Collaborated with a team of five developers using Agile methodologies to meet project deadlines.

### **PROJECTS**

#### **Campus Collab**

- Developed a dynamic project showcase platform using the MERN stack, integrating seamless front-end and back-end functionalities.
- Created a mobile-friendly interface for users to explore and interact with projects, incorporating advanced search and domain-based filtering options.
- Allowed users to securely upload and manage their projects, ensuring efficient file storage and handling throughout the platform.
- Built a scalable RESTful API to manage project data, user activities, and file uploads with optimal performance.
- Developed an admin panel for managing users and projects, with features like content moderation, user blocking, and project removal.

#### E-book Store

- Created a robust e-book store using HTML, CSS, JavaScript, React.js, Node.js, Express.js, and MongoDB, covering both front-end and back-end development.
- Designed a user-friendly interface for browsing, reading e-books online, and managing cart functionality.
- Enabled users to upload and manage their own books with secure file management and storage.
- Integrated JWT-based authentication for secure login and signup functionality.

# CERTIFICATION

Full Stack Web Development Certification | DevTown

# **TECHNICAL SKILLS**

- Programming Languages Java, JavaScript
- Frontend HTML, CSS, React.js, Bootstrap
- Backend Node.js, Express.js
- Database MySQL, MongoDB
- Tools and Technologies Postman, Visual Studio Code, GitHub, MySQL Workbench
